Mota Pimple on Baby

Cured by Cuticura

I meanst say enough in praise of the Cutricula framewings. My key, where one year of age, was so laid with accesse that he test all of his hair. His ready was reversely with emptoyes, which the declars and that he hair sweath from a said that seems to be a complete or again. Instructing of a core from physicians, I begree the use of the Cutriculas Raminutes, and, I can happy to say, with the most perfect energy. His hour is now applicable, and there is yed a pumple on him. I recommend the Cutriculas Raminutes to mention as the most speedy, companied with the companies of infants and children and feel that overy nother who has an efficient child will thank me for so doing.

Mass. M. E. WOULDELM, Norwey, Ma.

Fever Sore Eight Years I must extend to you the thanks of one of my mutomers, who have been cured by using the Curticity, Experience of as fed acre, cataset by a long poil of sickness or fiver eight years ago. He was in lead he was fearful for would have to have his ag sengulated, but is hopey to say he is now entered acre, which well, — stored as a declar. He requests me may be in some of the lift of Canna, therefore, the lift of the lift

Seed time shall not fail .- Gan. viii, 22.

Please bear in mind that we are headquarters for GARDEN and FIELD SEEDS.

Lahdreth's garden seeds are not "commission seeds," but we buy them every year and BURN what we have left. Every package is guaranteed to be of the crop of 1889 and to grow true to name. To attain success in gardening buy Landreth's Seeds.

We also have D. M. Ferry's Seeds, and for those who plant more extensively we have fresh 1889 seeds in bulk, very much cheaper than the papers.

Seed potaioes by the car load will be here in due season.
